

The Wonder Coders

Co-founders

Sam, Rhys and Finn

Our Project

To help educate teenagers in reducing the governments debt and the challenges in doing so.

Current State

- Guardian data converted to JSON
- Interactive JavaScript UI
- Mock-ups of the next stage of UI

Challenges

- Data extraction
- Converting CSV into JSON
- Finding out our first set of data didn't work
- JSON parsing for JavaScript

Next Stage

- Publish to the general public
- Advance the UI
- Advance the code logic

Live Demo
